PROFILE SUMMARY

UI/UX Designer and Front-end developer with proficient in design, web development, and project execution. Skilled in UI/UX, branding, agile management, and building web interfaces. Passionate about creating visually compelling and user-friendly digital experiences.

EDUCATION

TERTIARY SCHOOL

PHINMA University of Pangasinan College of Urdaneta

Bachelor of Science in Computer Science 2021-2025

- Selected Mayor of the Computer Science Society Department
- Champion of PUCU-Graphy 2022 (Photography Contest)
- Awarded as Outstanding Officer of the Year 2022

WORK EXPERIENCE

Front Developer and UI/UX Designer

The PMO Co. (June, 2025-Present)

- Improving an existing website by developing new features, creating and refining user-interface to enhance overall functionality, usability, and performance.

IT Intern

Cura Property Management Corp. (December, 2024-March, 2025)

- Enhancing an existing website by adding new features to improve functionality, user experience, and performance.

Poster Advertisements and Website UI Design

Commission Project (2024)

- Utilized Figma and Adobe Illustrator for high-quality graphic design and user interface solutions.

Don Denciong Cleaning Service Website

Commission Project (June - August, 2024)

- Managed the project as Project Manager, ensuring timely delivery and client satisfaction.
- Designed intuitive and user-friendly interfaces as a UI/UX Designer using Figma

Admin Aide

Special Program Employment for Students (June-July, 2024)

Municipality of Sison Pangasinan

- Conducted hazard mapping to support safety and risk management initiatives.
- Performed various office tasks, including documentation, data entry, and correspondence.

ACHIEVEMENTS

SP Madrid Hackathon Champion

Pangasinan Hackathon Tournament (July 2023)

- Led the team as Project Manager and contributed as UI Designer
- Successfully delivered an innovative project that secured the championship title.

PROJECTS

Propsuite.net

Internship Project (December 2024 - March 2025)

Company Name: Cura Property Management Corp.

- Enhancing an existing website by adding new features to improve functionality, user experience, and performance.
- Served as UI/UX Designer and Front-end developer

Propsuite.net

Work Project (June 2025 - Present)

Company Name: The PMO Co.

- Enhancing an existing website by adding new features to improve functionality, user experience, and performance.
- Designed a user-friendly interface for Barangay Management System, improving prototypes and overall user experience.
- Served as UI/UX Designer and Front-end developer

Venel Discoverer Consumer Goods Trading Management System

Thesis Project (October, 2024)

- Developed a eCommerce system as part of a Thesis Project
- Led the team as Project Manager and contributed as UI Designer using Figma, creating efficient and user-friendly interfaces.

Brgy. eConn Android Application

Hackathon Project (July, 2023)

- Developed an innovative community management app as part of a Hackathon Project
- Served as Project Manager and UI/UX Designer, leading the team and crafting user-centric designs using Figma

BAUTISTA, CHARLAINE JANE N.

Role: Frontend Developer

Date: October, 2025

Description:

Improved a user-interface for a company client of The PMO CO.

Mobile Prototype

A screenshot of the Propsuite web application. The top navigation bar includes the 'INTEGRATED RESORTS' logo, a search bar with placeholder text 'Search for property...', and links for 'New Portfolio' and 'Create a property'. The main content area displays a 'Good afternoon, cto.techdev@propsuite.net!' greeting. Below this is a grid of five property listings: 'Domaine Le Jardin Homeowners' Association Inc.' (HOA), 'Tulip Gardens Condominium Association', 'Lucerne at Domaine Le Jardin Homeowners' Association Inc.' (HOA), 'Twin Lakes Belvedere Condominium Corp.', and 'Twin Lakes Vineyard Manor Condominium Corp.'. Each listing includes a small thumbnail image and a green heart icon. The background of the page shows a blurred image of a modern apartment building.

A screenshot of the 'Units' management screen in the Propsuite web application. The top navigation bar shows the 'Willow Barn' logo and the text 'Condominium Association'. The main content area is titled 'Units' and includes a sub-header: 'Manage all your property's units here. You can add, edit, filter, or import/export unit records.' Below this is a search bar and several filtering options: 'Select building', 'Select category', 'Select contract type', 'Select status', and 'Select sort by'. A 'Filters applied: Limit: 10' button and a 'Clear Filters' button are located at the bottom of these filters. The main area displays a grid of six unit status icons: 'Vacant' (lock icon with checkmark), and 'Occupied' (door icon). Each icon is labeled with its unit number: 'Unit- 2', 'Unit- 3', 'Unit- 4', 'Unit- 5', 'Unit- 6', and 'Unit- 11'. The background of the page shows a blurred image of a modern apartment building.

Freelancing Project

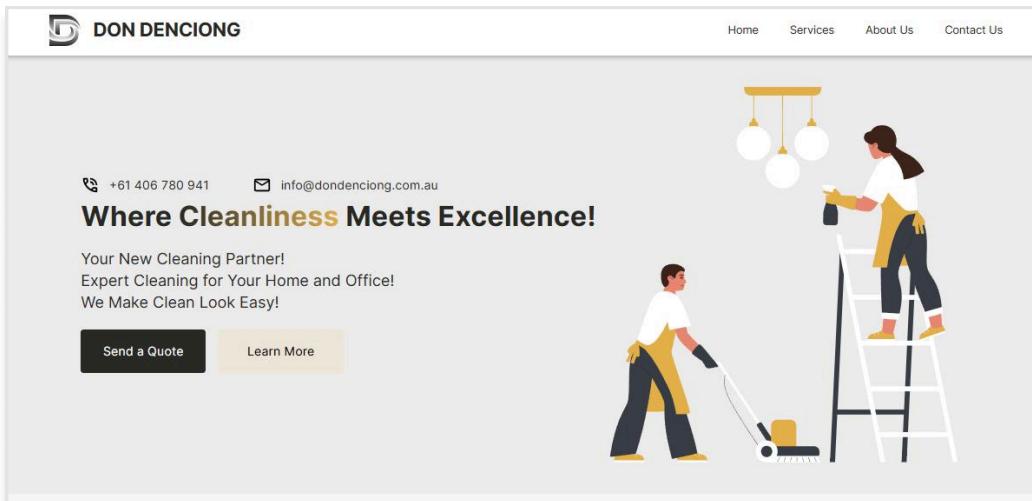

Software Name: Don Denciong
Cleaning Service
Company Name: Personal Client
Role: Project Manager & User Interface Designer

Date: June - August, 2024

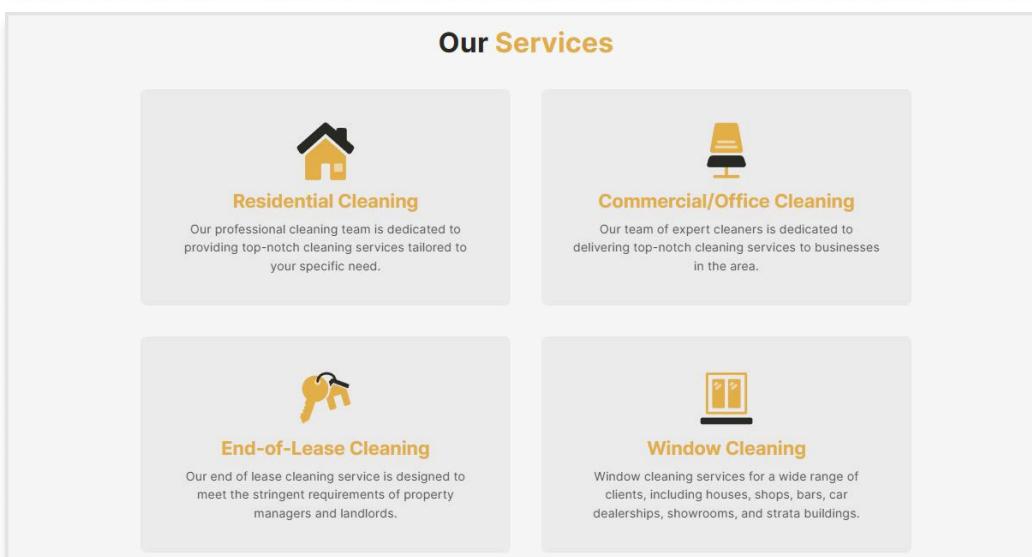

Description:

Managed the project as Project Manager, ensuring timely delivery and client satisfaction.

vist: <https://www.dondenciong.com.au/>

The screenshot shows the homepage of the DON DENCIONG website. At the top, there's a navigation bar with a logo, "DON DENCIONG", and links for "Home", "Services", "About Us", and "Contact Us". Below the header, there's a contact section with phone number "+61 406 780 941" and email "info@dondenciong.com.au". A main headline reads "Where Cleanliness Meets Excellence!". Below it, a sub-headline says "Your New Cleaning Partner! Expert Cleaning for Your Home and Office! We Make Clean Look Easy!". There are two buttons: "Send a Quote" (dark background) and "Learn More" (light background). To the right of the text, there's an illustration of two people cleaning: one person is on a ladder reaching for a chandelier, and another is kneeling on the floor mopping. The overall design is clean and professional.

This screenshot shows the "Our Services" section of the website. It features four service offerings in separate boxes: "Residential Cleaning" (house icon), "Commercial/Office Cleaning" (office chair icon), "End-of-Lease Cleaning" (key icon), and "Window Cleaning" (window icon). Each service box contains a brief description of the service and its purpose.

- Residential Cleaning**: Our professional cleaning team is dedicated to providing top-notch cleaning services tailored to your specific need.
- Commercial/Office Cleaning**: Our team of expert cleaners is dedicated to delivering top-notch cleaning services to businesses in the area.
- End-of-Lease Cleaning**: Our end of lease cleaning service is designed to meet the stringent requirements of property managers and landlords.
- Window Cleaning**: Window cleaning services for a wide range of clients, including houses, shops, bars, car dealerships, showrooms, and strata buildings.

This screenshot shows the "Why Choose Dondenciong" section. It highlights three key reasons: "Affordable Rates" (dollar sign icon), "Satisfaction Guarantee" (checkmark icon), and "No Travel Fees" (prohibited sign icon). Each reason includes a brief explanatory text.

- Affordable Rates**: Quality cleaning doesn't have to break the bank. We offer competitive pricing and transparent quotes with no hidden fees.
- Satisfaction Guarantee**: Your satisfaction is our priority. If you're not happy with our service, we'll make it right.
- No Travel Fees**: We do not charge travel fees, so you can enjoy our services without any hidden costs.

Hackathon Project

App Name: Brgy.eConn

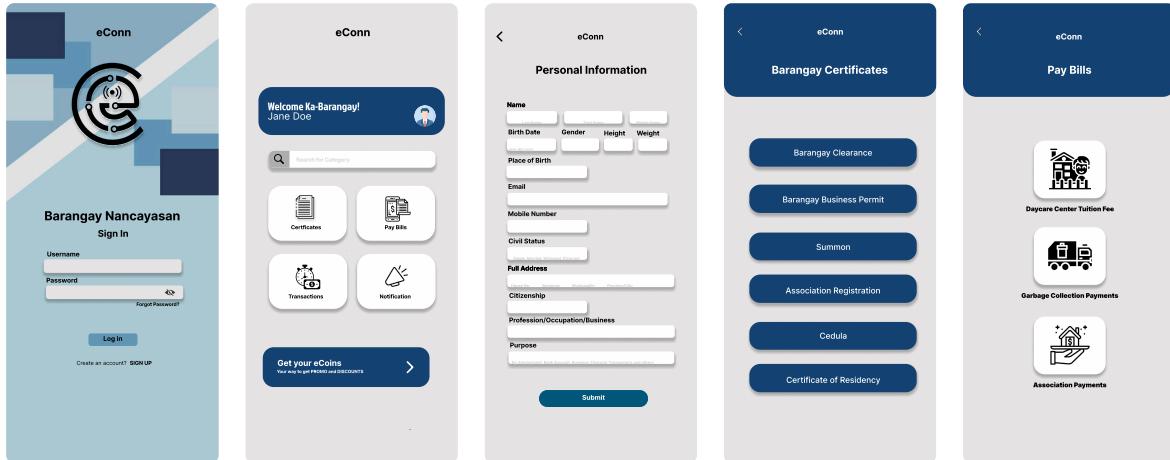

Company Name: N/A

Role: Project Manager and User Interface Designer

Date: July, 2024

Description:

Developed an innovative community management app as part of a Hackathon Project

The landing page features a large banner with the heading "Empowering Local Communities through Digital Connectivity". Below it, a paragraph explains the app's purpose: "eConn will provide you the most efficient way to connect with digital support in bill payments and acquiring barangay papers and certificates." A "Learn more" button is located below this text. To the right, there is a graphic showing three smartphones displaying the eConn app interface, with a large dollar sign icon above them, symbolizing financial connectivity.

Features

Here are some key features that eConn financial technology solution for a barangay might offer:

The features section includes six icons with corresponding descriptions:

- Online Application**: It can enable residents and businesses in the barangay to apply for barangay certificates online, using a user-friendly interface and a secure application portal.
- Payment Processing**: It can process payments for barangay certificates, using different payment methods such as mobile payments, and online payment.
- Real-time updates**: It can provide real-time updates to applicants on the status of their application, including notifications when their certificate is ready for pickup or delivery.
- Record-keeping**: It can also provide record-keeping services, allowing barangays to keep track of all payments made for barangay certificates. This can reduce the risk of fraud or errors in the payment process.
- Automated processing**: It can automate the processing of barangay certificates, using artificial intelligence and machine learning algorithms to expedite the application and approval process.
- Other bill payments**: The residents can pay other fees such as daycare center, garbage collection, and association payments.

eConn Benefits:

- Increased Access to Financial Services - eConn can provide access to financial services to residents who may not have easy access to traditional financial institutions, such as banks. This can be particularly beneficial for those living in rural areas or low-income communities.
- Convenience and Efficiency - eConn can make financial transactions more convenient and efficient, allowing residents to manage their finances from the comfort of their own homes.
- Lower Transaction Costs - eConn can offer lower transaction costs than traditional financial institutions, making financial services more affordable for residents.
- Financial Education - eConn can also provide financial education resources to help residents improve their financial literacy.

A graphic consisting of four blue squares arranged in a 2x2 grid. The top-left square contains a yellow dollar sign icon. The top-right square contains a yellow gear icon. The bottom-left square contains a yellow hand icon. The bottom-right square contains a yellow clock icon.

Website Mock Ups in Figma

The home page features a top navigation bar with links to Home, Services, About Us, Testimonials, and Contacts. Below the header is a section titled "Revitalize Your Living Space" with a sub-copy "We will help you to unlock the beauty and comfort of your space that inspired and enriches your life". This is followed by a large image of a bright living room with two light-colored sofas, a wooden coffee table, and a large window. Below this is a sidebar with a "Discover the power of Design" heading, a short paragraph of placeholder text, and a "Message Us" button. To the right is a smaller image of a modern living room.

The category page has a title "Categories" at the top. It features four circular icons representing different rooms: "Living room", "Bedroom", "Workspace", and "Kitchen". Below the categories is a section titled "What we provide" containing four boxes, each with a title, a brief description, and a "Read more" button. The boxes are: "Concept Development", "Layout Design", "Concept Development", and "Concept Development".

The first product page shows a dark-themed landing page for "PastaPalate" with a "Welcome to PastaPalate: Your Culinary Journey through Italian Excellence" headline. It features images of various pasta dishes and a "Explore More" button. The second product page is a dark-themed grid view showing several pasta dish options with their names and prices: "Lemon Basil Chicken Pasta" (209.00), "Spaghetti Carbonara" (160.00), "Pasta alla Insalata" (170.00), "Chicken Alfredo Pasta" (180.00), "Penne all'Arrabbiata" (195.00), and "Cherry Tomato Pasta" (170.00). Each item has a "Read more" button.

The left website, "Absiente", has a dark theme with a green leafy background. It features a "Help Today for Brighter Tomorrow" call-to-action, a "Our Continued Project Assistance Programs" section with icons for global warming reduction, ecosystem protection, energy shift, coastal livelihoods, and radioactive contamination, and a summary section with statistics: "5898 Trees Planted", "1994 Changing Lives Since", "21+ Our Partners", and "385 Volunteers". The right website, "Sustainability & Climate Change Concerns", has a light green background with a forest image. It includes a "Who We Are" and "What We Do" section, a "Our Story" section with a photo of a person planting a tree, and a "Sustainability & Climate Change Concerns" section with a video player and a "Get Started" button. It also features a "Our Green Wonders" section with images of trees.
